

LIS SoccerTykes New Guidelines

Please read below for our SoccerTykes guidelines including NEW schedule, check-in procedures, safety policies, and what you need for class.

Longmont Indoor Soccer has a new release and waiver of liability. To participate in SoccerTykes each child is required to provide a copy signed by his/her parent or legal guardian.

[LIS Release & Waiver of Liability](#)

All LIS SoccerTykes classes will be held on the outdoor fields at Longmont Indoor Soccer – 795 S Sherman St #8.

Classes are limited to 6 children per session. Make-up classes are subject to availability, you must contact BIS for availability.

- Bobcats – Ages 2-4
- Leopards – Ages 3-4
- Tigers – Ages 4-5
- Lions – Ages 5-6

Boulder County Board of Health Order requires every person older than 12 years old to wear a face covering where social distancing cannot be maintained. Masks are only recommended - rather than required - for children ages 3 through 12 for any activities where social distancing cannot be maintained. Children younger than three years should not wear a face covering due to their risk of suffocation.

For adult participation classes (bobcats), adults will be required to wear a mask.

Class Check-in Protocol:

Outdoor Tykes have staggered starts and separate check-in locations to maximize social distance. Please go directly to your appropriate registration tents.

- All participants should be dressed in soccer attire prior to check-in.
- If there is a line at check-in, please wait at the designated floor markings.
- All participants must be pre-registered, **no walk-up registration**.
- Check-in must be completed at the outdoor registration tables.
- Each participant will receive a non-contact temperature scan at check-in, and you will be asked preventative health and safety questions regarding COVID-19.
- Wash/sanitize their hands before entering their designated field.

BIS Safety & Cleaning Policies:

- All BIS staff & coaches will be required to wear a mask during SoccerTykes class.
- Commonly used surfaces will be disinfected frequently.
- Facility will run exhaust fans continuously, exchanging the air in the building every 10 minutes.
- Frequent handwashing for kids will be encouraged during the class and before and after classes.
- Hand sanitizer and disinfectant wipe stations are conveniently located throughout the facility/field.
- Daily wellness checks will be performed on all employees, per government guidelines.
- Kids will get their temperatures checked using a non-contact thermometer before class sessions.
- Modified activities to encourage adequate social distancing.

LIS SoccerTykes New Guidelines

- All groups will be assigned designated areas for breaks and be kept separated from the other groups.
- Using the restroom will be strictly monitored with a “1 in, 1 out” policy. Social distance markings will be applied to the floor if lines to the restrooms form.
- **If your child is sick, please keep them home.** You will get a make-up session for any missed classes.
